## EDITORIAL

The Editorial Board of the Journal of the Nigerian Institute of Town Planners expresses its heart-felt gratitude to Educational Trust Fund (ETF) of the Federal Government of Nigeria for its support. The Board is also profoundly grateful to the National President of NITP, Tpl. (Chief) S. I. Onu, for linking the Board with TETFUND. The Board congratulates NITP for this meritorious recognition. We are deeply thankful the National President and Council and ultimately to God for this rare privilege serve our renowned professional interest group – the Nigerian Institute of Town Planners- and the wider society at large.

The Editorial Board is passionate about quality of the journal meeting international standards. To meet international standards, the research must be empirical and must apply requisite theories and methods in the analysis of urban and regional planning problems. All GIS-based maps, multi – colour land-use maps and similar others should be in colour (not black and white). On the coverage of the journal, requirements and format for submission of manuscripts, prospective contributors will do well to consult the guidelines provided in this edition. We intend to get the Flier Leaflets printed out separately in no distant future.

The Board, therefore, calls on seasoned scholars and professionals from within and foreign countries to avail themselves of this unique opportunity to publish papers on urban and regional planning and entrepreneurship in the discipline in our renowned and international journal. The Journal of the Nigerian Institute of Town Planners (JNITP) is published twice in a year: in March and October. It is a thoroughly peer reviewed journal, Manuscripts can be sent and are received throughout the year.

**Tpl. Dr. K. G. Jiriko** fnitp, fica, mrtpi, rtp.  
Editor-in-Chief.
