

# 2023 INTERNATIONAL CONFERENCES

Members of the Nigerian Institute of Town Planners are enjoined to express their interest to attend these listed 2023 international conferences related to planning, cities, and urban sustainability.

All payments are for the total package of each conference; including the conference registration fee (where applicable), economy class flight ticket, paired hotel accommodation with breakfast, visa application fee, and airport transfers.

Participants who wish to stay alone in the hotel room, extend their stay, or upgrade flight ticket class should contact the NITP International Conferences Committee (see contact details below).

Please, note that conferences held in UAE are subject to Nigeria and UAE resolving the existing diplomatic faceoff.

Detailed breakdown of conference cost per person is available on request.
